
Sexual Harassment Training

Sexual harassment is bad business. Job turnover, absenteeism, low morale, reduced productivity, and costly litigation – these result when there is sexual harassment in the workplace, and that's only part of the problem. Sexual harassment takes a heavy toll in psychological stress and general health.

HR Allen Consulting Services offers training that is designed to help employees, as well as supervisors, managers and other personnel to:

- Understand the impact of hostile environment and *quid pro quo* harassment on the individual and the company;
- Be aware of how our actions and behavior affect co-workers;
- Recognize and stop harassing behavior and replace it with respect; and
- Prevent sexual harassment in the workplace by promoting open lines of communication.
