Start Your Business Off In Compliance

Putting the Pieces Together

Are you a new business owner? If so, congratulations! As you know it is a rewarding but tough job to do. You have to abide by mandatory labor laws and so on. Did you know it can cost a business owner over \$ 15,000 in fines for not posting mandatory labor law posters?

So is your business labor law compliant? Here are some questions to find out if your business is compliant:

- Do you have the mandatory labor law posters?
- Do you have Employment Applications?
- Do you have Termination Packets?
- Do you have New Hire Packets?

receive information about these laws before you start your business, but business owners should also know what to obtain to be in compliance with the laws and regulations.

We Got A Tool For You!

The New HR Start – Up kit™ is a cost-effective product that is available to all states and is specifically tailored to your state and industry and includes all of the forms, 2010 labor law poster, booklets, new hire packets, term packets, software and more that you will need to ensure that your business is compliant with federal and state labor laws - no matter what type of new business you are starting.

We Even Offer Payroll Services at a Competitive Price!!

Contact us today to purchase your HR Start-Up Kit

- Do you have mandatory OSHA forms? (if your business is mandated by OSHA)
- Do you have the mandatory I-9s?
- Do you have your states mandatory pamphlets?
- Do you have mandatory W-4s?
- Do you have accident/injury reports?

If you cannot answer yes to any of these questions you need our New Business HR Start-Up Kit™.

What You Need To Know

If you have started a new business or are considering starting a new business, there are certain labor laws and regulations that you will need to be aware of in order to be complaint with state and federal governments. These laws may include required labor law notification postings, regulations by the Occupational Safety and Health Administration, regulations that impact your hiring processes, and much more. In order to stay compliant with all of the laws and regulations impacting your new business, it is important to not only
